Spring Bible Bowl by the Numbers

We had a fantastic time this past Sunday afternoon and I wanted to show you how it went by showing some numbers. In total, we had 22 of our young people who were able to participate – thank you to each one! Also, to help administer the tests and to help with security, we had 26 adults present. This quarter, each class was asked to commit verses to memory and each of our participants put in great work and excelled in this area. Part of each test also included questions that helped make personal application from the material to their lives. We had five students finish with a perfect score and the overall average percentage was a whopping 95%. Finishing in first place and defending the banner was the Advanced Class who finished with a class average of 99.45%! This quarter our young people were able to study from the book of Hebrews and more from the life and teachings of Jesus. I want to again say thank you to all of our young people, their parents and grandparents, and to each of our teachers. You are all very loved and very appreciated!
